**THEME : Hydropower & hybridisation**

Roll-out of a 100% renewables-based power generation mix combining hydropower, solar and biomass.

**7 good reasons to exhibit**

# Become an exhibitor at 7th Business Hydro Meetings

**1**

**Accelerate your Business growth in one place, in one-and-a-half days.**

**2**

**Enjoy a high visibility among the major customers, co-contractors and partners.**

**3**

**Share in the thriving momentum of the sector, driven by the collaboration between private companies and public and institutional stakeholders.**

**4**

**Raise your profile by featuring in the visitors' guide of the Business Hydro Meetings 2022.**

# Devenir exposant aux 7<sup>èmes</sup> Rencontres Business Hydro

**5**

**Share your common experiences and benchmark innovations and “best practices”.**

**6**

**Contribute to the global influence of the Alpine Corridor sector, initiated in the Grenoble region more than 150 years ago.**

**7**

**Participate in the Business Experts Village, B2B meetings with contractors, arranged exclusively for exhibitors on Tuesday 11 October from 14.30 to 18.00.**
